Budget & Appropriations Ordinance:
Fiscal year April 1, 2014 – March 31, 2015

Supervisor McCormick reviewed with the board this year's Budget & Appropriations Ordinance explaining each fund in detail. He pointed out how the auditors recommended adjustments are now reflected in the various funds and what that means going forward. One area not yet addressed is the replacement tax issue. He hopes to resolve this issue within the next year suggesting we first need to determine percentage for other municipalities. While it looks tight this year we should be back on our feet within the next two years in the Town Fund.
